TRUSTEE UPDATES

Trustee Chair Betty Baxter

The NOMADS project is coming to an end. The floors in the Fellowship Hall are completed with the exception of the transition tiles into the restrooms. The ceiling tiles in two classrooms are ready to be replaced. We do have the new ceiling tiles. There are still a several thresholds and other small items that remain to be completed. The picnic pavilion needs painting and the fence gate installed after a jack hammer is used to bust up the concrete/rock in the post hole. Then it will be time to re evaluate other needed repairs to the Wesley UMC facilities.

Maintenance is never ending .

Feel free to bring your lunch!

Wesley United Women in Faith will meet Wednesday, January 17 at 12:30 p.m. This will be a planning meeting for 2024. We are looking forward to a wonderful year together.

We had a Christmas potluck lunch at our December meeting with six present. We had wonderful fellowship as we prepared seven Christmas baskets for our homebound. A special thanks to all who helped prepare the baskets and delivered them.
